

## **APPRENTICE SERVICE ENGINEER**

Based in North Shields, Tyne & Wear, we are an approved Partner and Distributor of various manufacturing BMS products and equipment. We provide professional design, installation, maintenance, and support services to the building service industry in the North of England and Scotland.

Due to our continued growth, we are now looking to recruit an Apprentice Services Engineer, to work within our Service Department.

The Candidate must be highly motivated, and customer focused who will be able to work on their own, and as part of a team.

Good mechanical and electrical background, along with knowledge of the practical application of engineering design principles, would be an advantage.

### **General Education:**

- Foundation level numeracy
- Interest in technology
- Excellent Communication Skills
- Electrical & Engineering Experience
- Computer Literacy
- GCSE's Grades 4-9

The successful Candidate will work within our experienced Service Department to gain the knowledge and the skills to progress within this busy environment.

Hours of Work:           8:00am – 4:30pm Monday to Thursday  
                                  8:00am – 2:00pm Friday

Full driving licence essential. (Or working towards)

### **REMUNERATION**

Salary in line with industry rates.

**Interested Candidates must forward their CV and covering letter to:**
